Name: _____

Find a duck pond in the zoo and do some observations!

1. What do you smell?
2. What do you hear?
3. What does the air taste like?
4. What does the ground feel like?
5. What do you see? Draw it in the box below.

A large, empty rectangular box with a thin black border, intended for a student to draw their observations of a duck pond.

6. Talk with a partner about your observations!

Animals need different things to survive. They need:

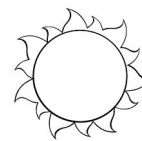

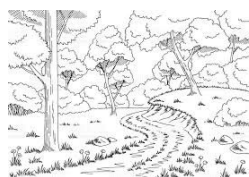

Space

Food

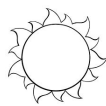

Water

Air

Light

Find animals in the zoo that are using these things to survive.

	Animals you found
<p>Space</p> 	<p>Example: elk- lots of space to run</p>
<p>Food</p>
